3.	Scientific section of the conference	
4.	Title of the report	
5.	Type of the report (plenary, oral, poster)	
6.	Form of participation	Attending in person / non-attending (please underline as appropriate)
7.	Country, city	
8.	Place of work/study (full official title of the organization), post	
9.	Contact telephone numbers	
10.	E-mail (applications are received only from participants' e-mail addresses)	

## General submission guidelines

Title of the file with the paper	The file should be titled «Paper_the Author's Name» (e.g., Paper_John Silver)
Тип файлов	MicrosoftWord 2000 (2003) doc
Paper size	A4
Margins	Bottom margin – 2.5 cm; top, left and right margins – 2 cm
Font	Times New Roman
Font size	14
Text alignment	hyphenless justification
Line spacing	single
Paragraph indention	1.25 mm
Page numbering	no
Intertextual bibliographic references	The given references should be in square brackets. A word space should be put before brackets. Author's surname, comma, imprint date, comma, page number – [Апресян, 1999, с. 55; Шейгал, 2000], [Robert, 1993, p. 1762], [Langenscheidt, 2010.S. 746].
references	The references should be put at the bottom of the paper and typed with «Times New Roman» font, size – 14; authors' surnames are marked with italics (references should be cited according to the Russian state bibliographic standards (ГОСТ 7.1.-2003)). Self-citing is not encouraged.
Illustrations / diagrams/tables/formulae	Illustrations should be jpg-formatted. All illustrations should have picture captions located under the illustration and containing the number, title of the illustration and legend keys (if any). The picture caption should be separated from the illustration, with center alignment. The numbers and titles of the tables should be located above the tables, with center alignment. You may use «Times New Roman» font, size – 12 in the tables. Formula expressions are written only in a formula editor (MathType or EquationEditor). In formulae Latin letters and Greek lowercase letters should be written in italics while Greek capital letters upright. Alignment is central. The paper should not end with an illustration or a table.
Thesis length	From 3 to 5 pages (1 page = 1800 characters without spaces, the number of pages is rounded up to a whole number)
Percentage of the text originality	<b>80%</b>
Additional	There is no page numbering. Only units, abbreviations, symbols accepted in the international system of measures, physical, chemical and mathematical quantities and terms can be used. In the paper only printing quotes (« ») should be used. Shortenings and abbreviations should be the same throughout the text.

***Structuring the top page of the thesis:***

1<sup>st</sup> line – UDK;

2<sup>nd</sup> line – title: capitals, in bold, center-aligned;

3<sup>rd</sup> line – author's name, scientific degree: lowercase, center-aligned;

4<sup>th</sup> line – name of the university: lowercase, italics, center-aligned;

5<sup>th</sup> line – abstract (at least 70 words);

Key words (5-7 words or word-groups)
